

HELLO & WELCOME!

My name is Annie Dolan, and I am a vacation planner specializing in Disney vacations. After years of planning my own family's Disney trips I decided to share my experiences and help others with their own adventures. Through my work with ConciEARS, I plan exciting vacations for families to places like Aulani, Walt Disney World, Disneyland, Disney Cruises and more! I love sharing all my tips and tricks to make sure your family has a magical Disney vacation. Let me do all the hard work planning your trip so you can sit back and enjoy the experience!

Here's how I can help with your next Disney vacation:

- Hotel recommendations & free vacation quotes
- Park reservations, ticket guidance, and attraction recommendations
- Advanced dining reservations
- Genie+ advice and recommendations
- Stroller rentals
- Special event coordination
- Airport transfers
- VIP tours
- Cruise activities
- Custom itineraries and location-specific travel guides

Best of all my services are **free!** The cost of using a Travel Planner is already built into the Disney vacation package pricing. This means you're paying for a Disney Planner whether you use one or not! This, of course, is the best reason of all to contact me today to plan your family's next Disney vacation.

I can't wait to work with you!

Annie

HOW IT WORKS:

1

We'll schedule a **30-minute call** to discuss your hopes & dreams for this vacation. I want to learn as much as possible about your plans and any other information that will help me create a perfect package for you.

2

I'll spend a couple days researching vacation options for you. Then, I'll email you a **trip proposal**, complete with prices and destination information to help you make the best decision for your family.

We'll work together, tweaking the reservation, until we come up with a perfect plan!

3

Once you are ready to book, I'll send you an online form where you can securely enter your credit card for **the vacation package deposit**. Then I'll process the payment with Disney and forward you the confirmation. You're on your way to a magical vacation!

Then we get into the REALLY fun part: **planning all the details of your vacation!**

I can help as much or as little as you'd like with everything from dining reservations, to where to sit for the fireworks, to which rides are scary for kids, and so much more!

4

I'm available to you and your family throughout your entire planning process, as well as during your vacation. We'll work together to make sure your family's trip is truly magical!
